## Legal approaches for liability

- *Old Fashioned:*
- Directive 85/374/E  
EC
- *Fancy:*
- *Personhood of  
robots*
- Mandatory  
insurance

- #1 Attribution**
- #2 Causation**
- #3 Authorisation**
- #4 IT-Security**

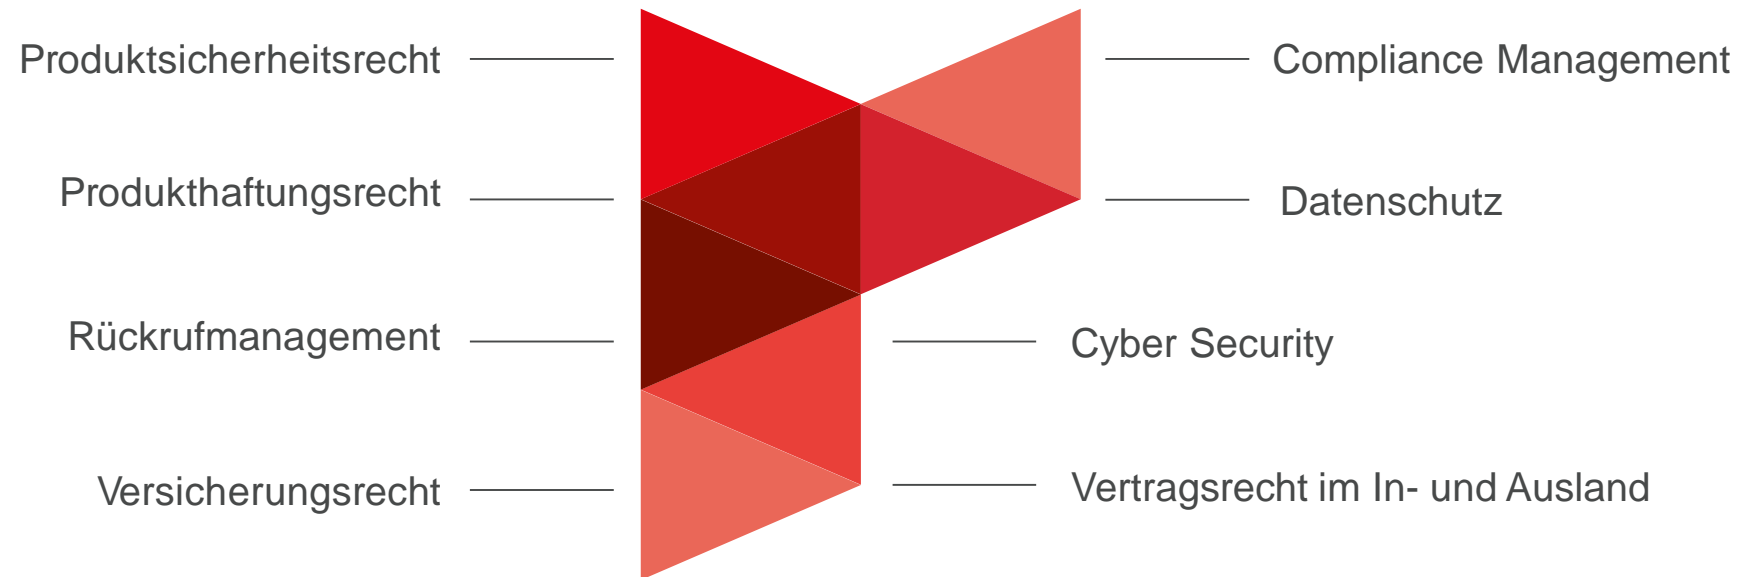

- #1 Ethical Rules**
- #2 Dilemmata**
- #3 Responsibility**
- #4 Attribution**

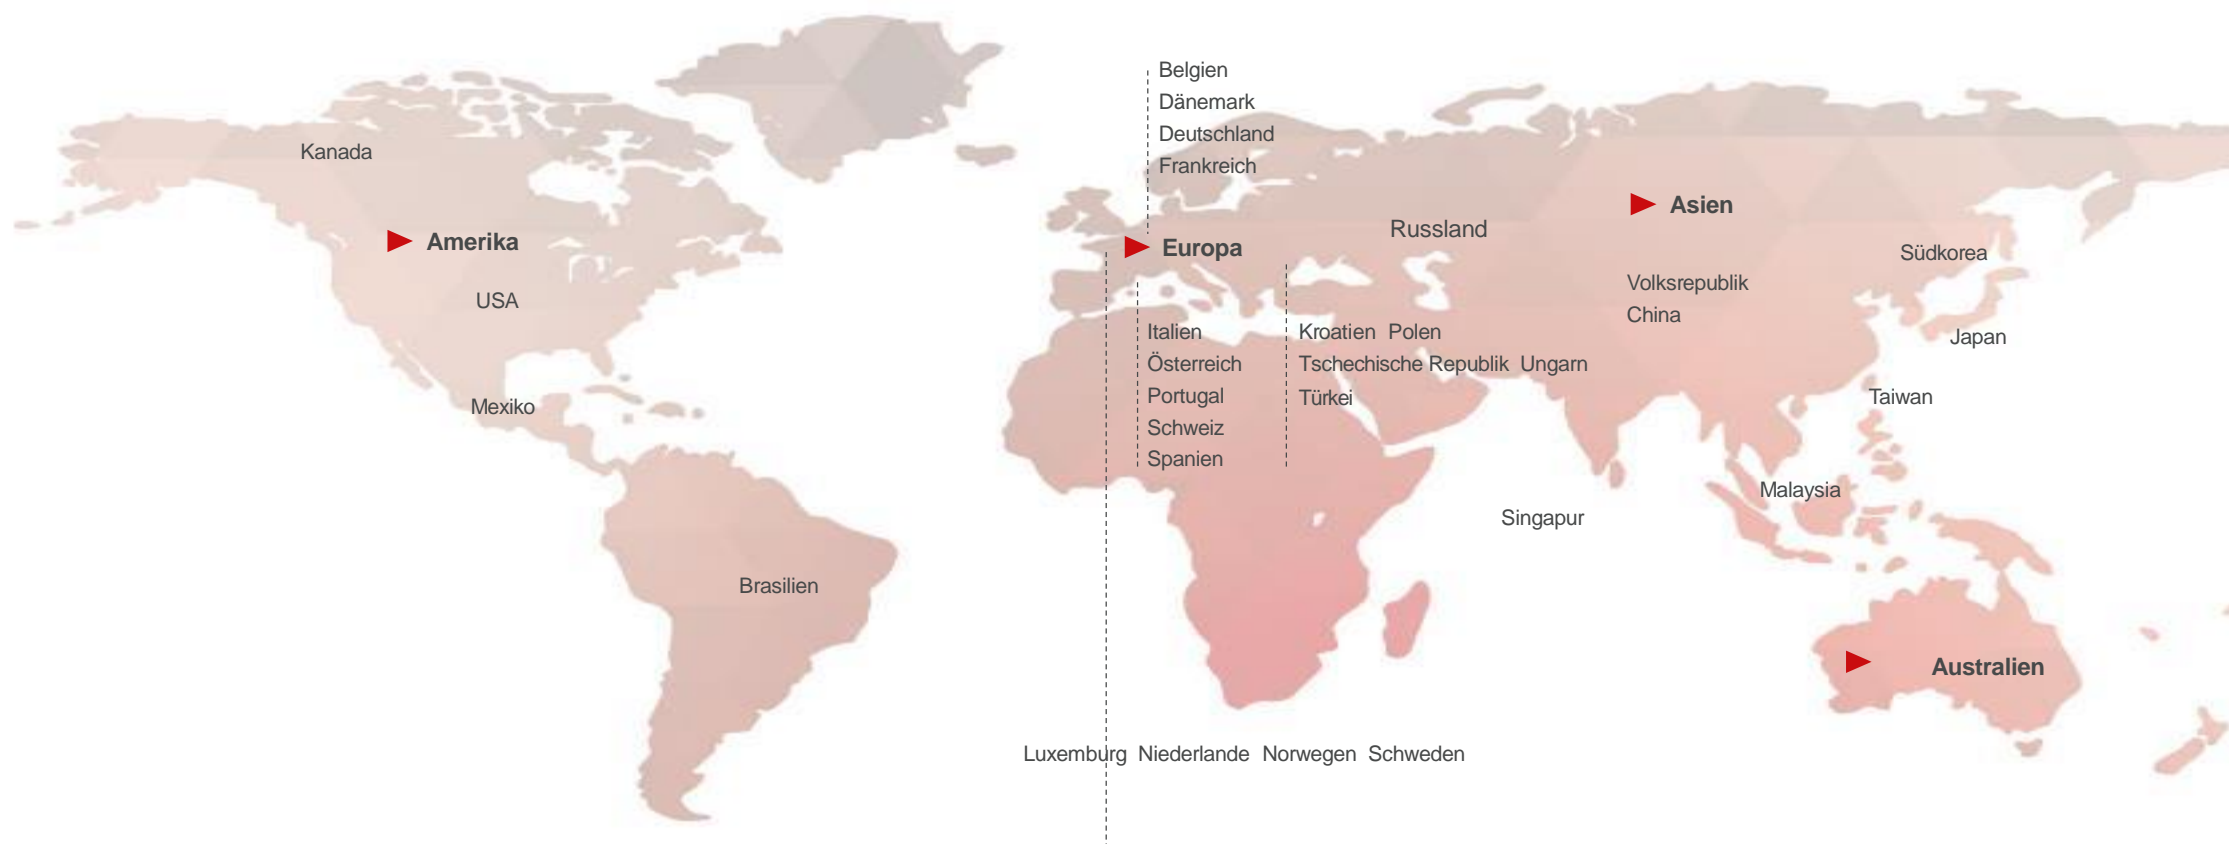

## Legal approaches for liability – the glass sphere

- Directive 85/374/EEC
- From directive to regulation
- Including software
- Acceptance of minimum operational risk
- Adaption of causation in the meaning of scientific causality
- Mandatory operators/users insurance
- Introduction of mandatory accident data recorders
